Quote

"You had the distinguished leadership of Sh. N D Gupta. I had during the course of last year & for some period before that, an opportunity to deal with his distinguished predecessor & him, and I found that the Institute during this year was provided with a very matured leadership & that was really appreciable when we look over to the kind of the activities being undertaken by the Institute. There was clarity of direction & from the kind of activity at the end of the year, which was presented to you all, is one of the hallmarks of your Institute. It indeed has been a very eventful year".
